

Assignment 4:

Title:

Write code and connections in wokwi for the ultrasonic sensor. Whenever the distance is less than 100cms send an "alert" to the IBM cloud and display in the device recent events. Upload document with wokwi share link and images of IBM cloud.

Roll No: CITC2004206

Name: S. Hariharan

Wowki Link: <https://wokwi.com/projects/348055074867511890>
